

BT023 Fitting Guide

Vehicle: Ford Ranger / Mazda BT50
Year Model: 2007-2011
Product: Auxiliary Battery Tray
Product Code: BT023

Only Fits Manual
Models without
ECU Unit on Left
Hand Front Skirt.

Fits up to N70zz 12 inch case battery.

1. Battery tray fits into the front of the left hand passenger side of the vehicle under the bonnet.

3. The tray has two support brackets underneath—one towards the engine (use existing bolt for this support). The second support is to the front of the vehicle—use 6mm bolt, washers & nut.

2. Relocate vehicle horn from the skirt to the top locking panel next to the coolant bottle.

4. The tray has a support to the skirt where the horn was located. Fit two 4mm bolts. Tighten all bolts & nuts.

5. Sit battery in tray, fit battery hold down & tighten.

Comes complete with:
1 x 6mm bolt, nut & washer
2 x 4mm bolts
1 x hold down with J hooks
