SWAY BAR LINK

COMPATIBLE WITH NISSAN NAVARA NP300/D23 2015+

Introducing our Heavy Duty Adjustable Sway Bar Link for the rear of the Nissan Navara NP300/D23 (2015+). Designed with pre-greased joints at both ends and a long thread for easy customisation, you can shorten the link during installation to match your vehicle's lift.

Once installed, fine-tune the adjustment to achieve the perfect setting for your car. Sold individually, these sway bar links are built to enhance your Nissan Navara's performance and durability.
